Incident Location: San Luis Obispo

Summary:

On April 12, 2024, at 1900 hours, I was requested to assist the San Luis Obispo Police Department with an interview related to a stolen vehicle case originating from their city. I made contact with Tommy Sheets at his residence, located at 1241 Johnson Avenue in Louisville, Kentucky.

During the interview, I inquired if Mr. Sheets had rented a 2024 Ford Mustang while in California. He confirmed that he had rented the vehicle from Hertz Rental in San Luis Obispo on March 26, 2024. Mr. Sheets stated that he returned the vehicle on March 28, 2024, leaving it at the rental car location before boarding his flight back to Kentucky. He mentioned that, due to being late for his flight, he left the keys inside the vehicle in the rental car parking lot.

I informed Mr. Sheets that the vehicle had been reported stolen. In response, he firmly replied that he had returned the vehicle to the rental car company as instructed.

Conclusion:

The San Luis Police Department was advised of my findings and the report was forwarded to Detective Amarosa.
